

Addison and Reese

Dec. 28, 2022

Netherlands Day 3

To start off the day we woke up at 7:15 and walked to breakfast in the rain. For breakfast Reese had a croissant sandwich with turkey and cheese, then she also had fruit and pancakes. Addison had a croissant and fruit with salami. We suited up for our games and left at 8:35. We had three teams on our bus from our hotel but then we stopped and had to pick up two other teams and our bus was FULL. Our first game was against the 16-2's and it was super competitive and such a fun game.

We had a 5-hour break before we played our next game. In that time, we ate lunch, and we played monopoly deal. Our next game was at 3:00 and that game was a battle. Then we took our stuff off and Curt brought us to Burger King to get fries. We got back and got dinner at 5:00 and it was some kind of rice and curry? Not big fans...

Third game was at 7:00 and we won. Then after we played, we went to the locker rooms to shower and get ready. The party started at 10:00 and it was SO MUCH FUN but it was very very hot. We are heading back to the hotel now with a packed bus full of sweaty people.
