Day 3

By: Brooke & Lauren Paetzel

Northern Lights 16-2

After we woke up and had breakfast at the hotel then took a bus to the gym. One of the teams on the bus had a speaker and played music. They started playing Party in the USA and other American songs. We had a lot of fun singing along with them and getting hyped up for the day ahead.

After the first game we decided to play Giant Uno and make some friends. We ended up playing with a team from Belgium. They told us about how they learn Dutch, French, German, and English in school. They also taught us how to say hello and thank you in Dutch. Hello is hallo and thank you is bedankt.

After the game of Uno the Belgium team had to go play, so we decided to go watch them before our game. One of the parents had drums and cheered a lot, so we decided to learn some of their cheers. We couldn't figure out the words that well, but we got the clapping down! The team was very good and it was cool to watch.

Then, it was time for us to play! This game was extra fun because we had our friends cheering us on. Our Belgium friends and our friends that we made the day before came. The parent with the drum was drumming for us and they were doing all of their cheers.

After the second game Curt took us on a walk. He didn't tell us where we were going at first, but he ended up taking us to Burger King! We were all very surprised. Curt got us French fries and ice cream to share. It was very yummy.

Once all the games were done it was time for the party! But before we could go we all had to go to the locker room and get ready. We all were lined up on the benches doing our makeup and hair. When we were done getting ready our Belgium friends told us that the party was boring and that nobody goes, which made us nervous, but when we got there we had a lot of fun. We had a blast dancing and singing to all the songs. We got a lot of people to dance with us, including some of the guys.

Overall it was a fun day and we had a great time.
