Doors will open at sites 30 minutes prior to each wave's competition time. Please REMAIN IN YOUR CAR until that time; again 30 minutes prior your match's start time.

## **General Rules - AAU/JVA/USAV Rules Apply**

In all matches, one team's coach (from their bench) is the up ref initiating, and concluding each rally with a whistle. The other team's coach operates the flip scoreboard. The head coach from each team will call their team's violations. If there is a disagreement between the coaches on the result of the play, implement a replay.

5th/6th Grade division: If it is dangerous call it. If the ball is literally caught, call it. Other than that, let them play! - Service line is relaxed, and athletes should serve from where they need to start play... if they are in front of the end-line and they are successful they should be encouraged to move back. 5 successful serves and rotate in this age division. This division is played on a 7' net.

7th+ Grade divisions: If it is dangerous call it. If it is ball handling or a net violation and it is gross, call it. Other than that, let them play. - Service line is relaxed, and athletes should serve from where they need to start play... if they are in front of the end-line and they are successful they should be encouraged to move back; however athletes that are capable of serving from behind the line should be held accountable for doing so.

In all divisions there are no jersey requirements so the official act of subbing is unnecessary... however normal subbing rules do apply (you cannot have an all-time middle ; ) nor an athlete sub for multiple different positions throughout the match)... if you have a libero, a different color t-shirt would be great! A maximum of 2 time outs per team, per set are allowed; but coaches may go on the court to help athletes with court positioning etc.

## **Format**

Teams were seeded/organized based on each club director's input regarding the strength of the team(s) they registered. Format for the league will be similar to year's past. Teams will compete in two matches each

Most teams will participate in 4 team brackets, in which the schedule will be the following:

Court 1 - Team A vs. Team B (Self officiated)

Court 2 - Team A vs. Team B (Self officiated)

Court 1 - Winner of Court 1 vs. Winner of Court 2 (Self officiated)

Court 2 - Loser of Court 1 vs. Loser of Court 2 (Self officiated)

There is a 3 team pool, in which the schedule will be one of the following:

Team A vs. Team C (Self officiated)

Team B vs. Team C (Self officiated)

Team A vs. Team B (Self officiated)

There are also a couple 6 team divisions in which teams simply play two matches vs. different pre-scheduled opponents.

**\*\*Best of three sets will be played. If the same team wins the first two sets, the third set will not be played. Sets 1 & 2 will be played to 25 points with a cap of 27 points. If set three is needed, it will be played to 15 points with a cap at 17.**

## **WARMUPS – VERY IMPORTANT**

Volleyballs will be provided at M1 Volleyball, Kokoro Volleyball and Crossfire Volleyball. At all other sites you should bring your own warm up volleyballs.

In four team brackets the following warmups will occur:

Prior to match 1: 2 minutes shared, 4 minutes for each team of individual court time (NO SHARED SERVING AT THE END)

Prior to match 2: 2 minutes shared (no individual warm up time)

In three team pools the following warmups will occur:

Prior to match 1: 2 minutes shared, 4 minutes for each team of individual court time (NO SHARED SERVING AT THE END)

Prior to match 2: 2 minutes shared, 4 minutes for the team that officiated match 1 (no individual warm up time for teams that have already competed, again no shared serving at the end)

Prior to match 3: 2 minutes shared (no individual warm up time, no shared serving)
